NAGOYA DAY 2024

EXPLORE NAGOYA AND CENTRAL JAPAN

Saturday, November 2, 2024

The Atrium at the Westfield Century City, 10250 Santa Monica Blvd., Los Angeles, California USA
Time: open at 10:00 a.m. and close at 6:00 p.m. followed by a VIP dinner from 5:30 p.m.

The Los Angeles Nagoya Sister City Affiliation (LANSCA) is celebrating the 65th Anniversary of the sister city relationship between Los Angeles and Nagoya by holding a “Nagoya Day” event to showcase the culture and businesses of Nagoya to the people of Los Angeles. This is a full-day event, free to the public, at the premier shopping center in Los Angeles and provides a unique opportunity to companies from Nagoya to become an event sponsor and promote their brands and sell their products to the thousands of shoppers from LA and around the world who will visit the high end shops at the Westfield Century City center.

LANSCA is seeking one (1) Presenting Sponsor which will have the most prominent messaging at the event and in the marketing before the event. If the Presenting Sponsor level does not fit your plans, please consider whether there is a level which is appropriate, such as a Major Sponsor (limited to two), Contributing Sponsor or Event Sponsor. Sponsorship details follow.

Supported by Consulate-General of Japan in Los Angeles

ABOUT THE EVENT

“Nagoya Day” celebrates the culture, both modern and traditional, and businesses of Nagoya. There will be a stage under a giant video screen which will present live and video entertainment showing the traditional as well as modern culture of Nagoya and Central Japan, such as performances by samurai warrior groups (historically from Nagoya), Cosplay performers, music videos, and more. There will be spaces for companies from Nagoya to display and sell their products. Exhibits will highlight traditional “monozukuri” (craftsmanship) that Nagoya and Central Japan offer today, for example Arimatsu Shibori tie-dye, Tokoname pottery, Mino-Japanese Paper, and more. The event is being professionally produced by first-class event planning companies in Los Angeles and Nagoya.
